

Hi friends,

I would like to ask you to help me to charter my Snipe in Rio to world Masters (19-26/set).

Do you know someone that need a boat?

My boat is ready to race in ICRJ and it is very fast. Two times 3rd place in the Brazilian championship (2009 and 2010). It is a Diemer 2008 with new Diemer mast 2009, number 30703. I can help to prepare the boat in Rio, I will be there to compete with Ivan Pimentel.

I suggest 600 us.dolars, complete boat, without sails. I am chartering my boat just because my flight is very expensive and would be help me in this.

Thank you,

Alexandre.
