Subject: SCIRA Women's World Championship

Snipe Class Leadership,

The Snipe Class Women's World Championship is being held in St Petersburg, Florida USA November 7-12 at the St Pete Yacht Club. Sailing will be on Tampa Bay. SPYC has a great one design facility and a great full service yacht club facility. SPYC is widely known for outstanding RC management and hosting numerous World Championship events.

This event is an Open Event for all women Members of the Snipe Class. There is no prequalification process. Housing and quality charter boats will be available to those in need. Please circulate this information to your women Members and other women in your Nation who may be interested in competing in the event. Interested women competitors can register now at the web site address below.

Further information re housing, charters, crews that may be available, etc should be sent to Steve Lang the Fleet 801 Fleet Captain and Regatta Chair person at baywoof@me.com
